The Divisional Engineer and others.

.....Respondents.

HON'BLE SRI JUSTICE L. NARASIMHA REDDY

WRIT PETITION No.17154 of 2007

ORDER :

Petitioner challenges the action of respondents 1 and 2 in proposing to install a transformer in the site abutting plot No.75 of Durga Bhavani Nagar, Chempapet, L.B.Nagar, where a community hall and a library are said to have been constructed. The petitioner contends that the installation of transformer at that place would pose danger to the visitors to the library and community hall as well as the children, who use the playground.

Heard learned counsel for the petitioner, learned standing counsel for respondents 1 and 2 and Sri T.Suryakaran Reddy, the learned counsel for respondents 3 and 4.

The shifting of the transformer, in question, was the subject matter of W.P.No.3633 of 2006 filed by one Mr.Ranga Reddy and W.P.No.2292 of 2007 filed by respondents 3 and 4 herein. After taking into account, the contentions advanced by the respective parties, this Court opined that the selection of a site abutting plot No.75 would not cause any serious threat or inconvenience to

anyone. The relevant portion of the order reads as under:

“Admittedly, the site selected for shifting of other transfer is abutting plot No.75, which belongs to the community. There would not be any regular inmates for the same. Further, the respondents have taken all precautions to ensure safety to the persons in the vicinity. This Court does not find any basis to interfere with such shifting.”

It is in the light of this observation, that the transformer has since been shifted to the site abutting plot No.75. It is said to have become functional. At this stage, this Court cannot interfere with the same.

For the foregoing reasons, the writ petition is dismissed. It is, however, directed that respondents 1 and 2 shall ensure that the transformer is properly fenced and not made accessible to the passers by and particularly, the children. There shall be no order as to costs.
